Mileage log

One row per business trip, filled in on the day. Columns follow IRS Publication 463.

Name _____ Vehicle (make, model, plate) _____ Tax year _____ Odometer Jan 1 _____ Odometer Dec 31 _____

Date	From	To (destination)	Business purpose	Odometer start	Odometer end	Miles
				Total business miles on this page		

Commuting from home to your regular workplace isn't deductible. Keep parking and toll receipts: they count on top of the standard rate.
